Life in the dorm often begins stormy and emotional. Once the initial frost is warmed, the friendships grow and flourish.

1987-88 PRC MARCHING BAND

The "Spirit of the River" concluded the best marching season ever in the history of the Pearl River Band according to director Archie Rawls. "The level of dedication and enthusiasm in the band this fall has brought us all together as a performing unit and provided the extra edge that is required for exciting performances," said Rawls.

Some changes were noticeable in the band this fall - the most evident being the increase in the size of the band which was up 27% from last year.

Another big change was in the look of the String of Pearls. With the new uniforms, capes, and brightly colored swing flags, the Pearls were a significant contribution to the visual impact greater than ever.

The band was rewarded for its efforts with invitations to appear as the featured exhibition unit at both the Gulf Coast Marching Band Festival in Gulfport and the Picayune Marching Festival. "We were very honored by the invitation to appear at these festivals, but were unable to appear at the Gulf Coast Festival due to a football conflict. PRC fans have top priority," said Rawls.

The Spirit did perform at the Picayune Festival before about 1500 high school band students from across the state. The festival show included Topaz, a powerful Latin opener, Dancing on the Ceiling, featuring the String of Pearls; Paradox, which showcased the outstanding drum line; a jazzy arrangement of Birdland; and the Righteous Brothers oldier, You've Lost That Lovin' Feeling.

Drum Majors for the 1987-88 year are sophomore Stephanie Cummings of Oak Grove, and freshman Virginia Breland of Petal. Color Guard captains are Lea Armstrong, Missye Taylor, and Judy Roche. Percussion captains are Eddie McKellar and Alex Broome.

Every spring semester about 50 young ladies compete for a dozen positions vacated by graduating String of Pearls. Appearance, talent, and a sincere dedication are only a few characteristics that are sought after in making choices for this precision dance team. Appearance and talent are often recognized but dedication is a quality that must be exemplified by these young ladies. Halftime shows, marching festivals, and parades are some of the main events that you may see this group featured.

Ms. Connie Holmes, choreographer for the Pearls, describes a Pearl as a special person. Being cooperative with other girls is one of the foremost qualities that a member must display. There is a lot of "we" and not just "me" in order for this group to work together successfully. They must be able to receive constructive criticism from the director, the captains, as well as members of the group. Maturity is another quality that a Pearl must have. A Pearl must be dedicated and take pride in what she is doing as well as what she represents. Not everyone can give that kind of commitment, but for those that do, being a member of this group can promote a real sense of true "RIVER" charm and devotion.

Peter Georgian

Head Basketball Coach

Pearl River coach Peter Georgian brought instant respectability to the Wildcat Basketball program.

After taking over the reins of the 'Cat club in early September '86, Georgian led his team to a very impressive 17-11 mark. His team was recognized as one of the best in the South Division.

It was a good year for the Wildcat team finishing with a 12-10 record. The highlight of the 'Cat season was defeating nationally-ranked Co-Lin at home, 91-89, in a double overtime scuffle.

PEARL RIVER LADY WILDCATS

Polly Kirkland

Head Basketball Coach

Kirkland guided the Lady Wildcats to a successful season in her first year as head coach at PRC. The Lady Cats fought their way to the finals of the Mississippi Junior College South Division Tournament at Booneville, losing to rival Gulf Coast Community College.

The PRC record is the most successful since the Lady 'Cats won the 1982 South Division crown over Co-Lin and posted a 18-4 overall ledger. Their present record stands at 20-9.

"It has been a long-term goal of mine to coach on the college level," Kirkland said. "Pearl River has excellent facilities and an excellent recruiting district."
